Alberta Construction Safety Association	4	The Alberta Construction Safety Association (ACSA) is your partner in construction safety, and through our training, we work hard to connect a community of safety leaders in the province's construction industry. Over 13,000 people have forged a career as a designated safety leader since we started the NCSO/HSA program and more than 5,000 companies achieved their COR through us. With over 36,000 active members, we are the largest safety association in the province. In partnership with this growing community, we build links and connections with our stakeholders and industry partners, influencing change and instilling a culture of safety. We aim to champion the safety spirit, empowering employees and employers to make workplaces safer and enabling everyone to return home unharmed at the end of each and every working day.	www.youracsa.ca

Alberta Health Services	7	Decreased absenteeism, increased presenteeism, decreased benefits costs, increased employee morale, increased job satisfaction. Healthy employees within your organization can help you achieve these things. Come visit the AHS Workplace Health team to find out how you can use the Better Health Better Business Program to set up your own comprehensive Workplace Health program. Does your organization participate in the Certificate of Recognition program? If so, find out how you can integrate health into your existing safety program using the approved Health Standard.	www.albertapreventscancer.ca
Alberta Labour	45	Partnerships in Injury Reduction is a voluntary program in which employer and worker representatives work collaboratively with government to build effective health and safety management systems. By improving health and safety, the social and financial costs of workplace injury and illness are reduced. Partnerships in Injury Reduction program awards Certificates of Recognition (CORs) to employers that have developed a health and safety management system and met established standards. CORs are issued by the Alberta government and co-signed by Certifying Partners. Achieving and maintaining a valid COR is required to earn a financial incentive through the WCB's Partnerships in Injury Reduction program.	www.work.alberta.ca
