Alberta Association for Safety Partnerships and Radiation Health	36	The Alberta Association for Safety Partnerships (AASP) is a non-industry specific health and safety association and certifying partner in Alberta. AASP is an approved designated trainer by Alberta Government. It is out commitment to serving the businesses of Alberta in a quest for zero incidents that has made AASP a successful and respected leader in occupational health and safety.	www.aasp.ca
Alberta Labour & Immigration		Partnerships in Injury Reduction is a voluntary program in which employer and worker representatives work collaboratively with government to build effective health and safety management systems. By improving health and safety, the social and financial costs of workplace injury and illness are reduced. Partnerships in Injury Reduction program awards Certificates of Recognition (CORs) to employers that have developed a health and safety management system and met established standards. CORs are issued by the Alberta government and co-signed by Certifying Partners. Achieving and maintaining a valid COR is required to earn a financial incentive through the WCB's Partnerships in Injury Reduction program.	www.work.alberta.ca/
Alberta Occupational Safety Auditors Association	8	The Alberta Occupational Safety Auditors Association is a volunteer run organization dedicated to the development and professional practice of health and safety auditing. The association is run by volunteers and is a registered non-profit society in Alberta. AOSAA is one of the Partners in Prevention with the government of Alberta.	
Alberta Safety Council		The Alberta Safety Council (ASC) is a provincial, not-for-profit, charitable organization dedicated to "Making Alberta a Safety Place to Live, Work and Play".
