About the Conference and Trade Fair

Our Annual Conference and Trade Fair is a two-fold event, combining educational sessions and a trade fair. It attracts a delegation of approximately 300 people from industry and government.

This year's conference theme is "Workplace Futures in a Changing World." The 2023 event will run for two days, starting on Wednesday, April 26, 2023, at The Westin, Calgary Airport.

The educational program includes some 20 sessions which range from broad-based to industry-specific topics. Both technical sessions and professional development courses/seminars are offered as part of the educational program. Attendees of the Conference & Trade Fair can earn maintenance points towards various professional certifications.

The Trade Fair is a forum where approximately 40 manufacturers of health, safety, and environmental products and services meet with health, safety, and environmental professionals to demonstrate and showcase state-of-the-art products and services.
